LECTURE ON TERRORISM SCHEDULED

The Departments of Philosophy, Government, Psychology, Sociology and American Studies are sponsoring lectures on topics of current importance. The Cultural Affairs Division of the Student Union is coordinating the project.

The second lecture in the series will be on the topic of terrorism and will be presented by Dr. David Hubbard, who is the Director of the Aberrant Behavior Center in Dallas, Texas. Dr. Hubbard will speak on December 9, at 3:00 p.m., in the Student Union Lounge.

Biographical data on the speaker, including information on his published writings, is available through the Cultural Affairs Division of the Student Union. Should a faculty member wish a copy, he or she should call the Student Union Office at 629 (voice and TTY).

Those attending the lecture are invited to attend a reception immediately following the speech.
